## A NOTE FROM THE DIRECTOR

As I sit and begin to write this note, to each of you reading it, my heart is quite heavy as we're living in unprecedented and unfamiliar times. COVID-19! I have avoided saying those words for the past 3 weeks in hopes that the less I said them maybe it'd go away sooner rather than later. Unfortunately, that hasn't been the case. As so much is unknown, I find assurance today in the fact that Jesus Christ is quite the opposite. He's KNOWN. In him there is sweet and blessed assurance that what we face today is not a surprise to him. He wasn't taken aback by the news of this awful virus.

As I mention this, I can't help but think about all of the times Jesus has proven himself in my life. Time and again, whether it was a sickness or a daily problem that I thought I'd never find the answer to, Jesus has remained the same. He's been CONSTANT in an ever changing world. He's been SUFFICIENT when I felt what I needed was going to be "a lot more than I had". And he's been PRESENT when I felt that I was alone. I can't help but rejoice in that fact alone. Jesus loves ME. Jesus loves YOU. Jesus LOVES!

Several years ago, Eugene McCammon wrote a song that was inspired by Dariel Meador. Each morning, while they shared an apartment during CVSGM, Mr. Meador would make the same statement: One More Day. So, in his musical fashion, Mr. McCammon wrote a song for the next song book titled "One More Day". The lyrics shared this line that I've thought about over and over the past few months and what a message it holds for all of us. "We've been given one more day to live for Jesus, one more day to sing and pray and testify". You see wherever You are today; Wherever I am today, we've had today! We've been given one more day. So, in a time where we're all saying "we're taking it day to day", then let's honor Jesus Christ and show others that we've been given One More Day to live for Jesus. One More day to sing and pray and testify!

Blessings to you all and I hope to see you soon!  
Joel

**Don't miss this year!!  
Join us for the 2020
